Experience

Buildemant - Construo e Manuteno, LDA
CEO

September 2017 - Present
Oeiras, Lisboa, Portugal

Buildemant is a young company founded in 2016 that started developing its activity in the most varied areas related to civil construction, remodelling and maintenance. After several requests and challenges from our customers and the market itself, we have decided to expand for the area of technical furniture and laboratory equipment.
